AGENDA MEMORANDUM

BOARD: City Commission

AGENDA ITEM #: 8.A.

DATE SUBMITTED: December 1, 2023

MEETING DATE: December 18, 2023

FROM: Pilar Rodriguez, Fire Chief

DEPARTMENT: Fire

DIRECTOR: Pilar Rodriguez

Agenda Item: Consideration and action, if any, on purchasing emergency generators for Fire Stations 1, 2, and 3 from Waukesha-Pearce in the amount of \$247,860.00 (BuyBoard Cooperative Purchasing Contract Number 657-21). **This item supports SSC - Safe and Secure Community.**

Classification: Regular

(* If closed session, City Attorney must review and approve.)

Issue: The fire department has budgeted to replace the emergency back-up generators at fire stations 1, 2, & 3. The existing generators are approximately 25 years old, are high maintenance and have become unreliable. The department has experienced failure of the existing generators at fire station 1 and 2 during power outages, which has delayed response during emergencies due to inoperable bay doors and radio alert systems.

Staff is proposing to replace the generators at fire stations 1, 2, & 3 utilizing a BuyBoard Cooperative Purchasing Contract with Waukesha-Pearce in the amounts of \$69,735.00, \$88,775.00 and \$89,350.00 respectively. The aggregate cost to replace all three (3) generators is \$247,860.00. Project Number 2324-01-515-P05-01

Fiscal Consideration: This project is approximately \$22,140.00 under budget.

Staff Recommendation: Based on review by this office, staff recommends approval of the purchase and installation of emergency generators at Fire Stations 1, 2 & 3 utilizing BuyBoard Cooperative Purchasing Contract Number 657-21 with Waukesha-Pearce in the aggregate amount of \$247,860.00.

Alternatives: Dis-approve the purchase.
