Rogelio Ibanez, Jr., representing Teysha Group, LLC., owner, has filed with the Planning and Zoning Commission a request for a Change of Zone from Agricultural and/or Open Space District (A-O) to Residential Multi-Family District (R-MF) in order to develop and construct apartments.

The subject site is located on the south side of East Moore Road, approximately 0.33 miles west of South Veterans Boulevard, with a physical address of 1100 East Moore Road. The property is legally described as being 5.33 acres, more or less, out of Lot 223, Kelly-Pharr Subdivision, Pharr, Hidalgo County, Texas.

The property fronts East Moore Road, an 80 ft. major collector that runs east and west with a posted speed limit of 30 miles per hour or less, as identified in the City of Pharr's Thoroughfare Plan.

The property and the properties to the west, south and east were zoned Agricultural and/or Open Space District (A-O) upon annexation on June 29, 1984. The property to the north was zoned Residential Mobile Home District (R-MH) upon annexation on June 29, 1984. There have been no other rezoning requests within the general vicinity of the subject property since that time. The property is generally designated for single-family residential use in the Land Use Plan.

The Residential Multi-Family District is established to provide adequate space and site diversification for low to medium density residential development where adequate streets and other community facilities are available for present and future needs. This district is established for duplex-fourplex development as low to medium-density use, and additional requirements for streets, water and fire protection, wastewater, drainage, and adequate open space shall be met before zoning to such use. It is established to protect residential areas as far as possible against heavy traffic and zoned promote the most desirable use of land and direction of building development not in conflict with the city's comprehensive plan.

Seven (7) letters were mailed out to the surrounding property owners on November 22, 2023, and a legal notice was published in the Advance News Journal on November 22, 2023. Staff received one response for information only, to letter or public notice.

Development Services is recommending **disapproval** of the request to re-zone from Agricultural and/or Open Space District (A-O) to Residential Multi-Family District (R-MF) as the property is not in line with the future land use plan.

MEMORANDUM

DATE: MONDAY, JANUARY 8, 2024

TO: PLANNING AND ZONING COMMISSION

FROM: DEVELOPMENT SERVICES

SUBJECT: Re-zoning Request: From Agricultural and/or Open Space District (A-O) to Heavy Commercial District (H-C) being 2.67 acres, more or less, out of Lot 223, Kelly-Pharr Subdivision, Pharr, Hidalgo County, Texas. The property's physical address is 1106 East Moore Road. COZ#231205

Comprehensive zoning and rezoning regulations and ordinances should be adopted and designed to facilitate, as much as possible, the following items:

1. To lessen congestion;
2. Secure safety from fire, panic and other dangers;
3. To promote health and general welfare;
4. To provide adequate light and air;
5. To protect the overcrowding of land and abutting traffic ways;
6. Avoid undue concentration of population, and;
7. To facilitate the adequate provisions of transportation, water, sewage, schools, parks, and other public requirements as per Local Government Code, Sect. 211.004.

DESCRIPTION OF PROPERTY:

RUDS Engineering & Construction Services, LLC., representing Maria R. Medrano, owner, has filed with the Planning and Zoning Commission a request for a Change of Zone from Agricultural and/or Open Space District (A-O) to Heavy Commercial District (H-C) in order to develop and construct a steel building repair shop.

The subject site is located on the south side of East Moore Road, approximately 0.30 miles west of South Veterans Boulevard and has a physical address of 1106 East Moore Road.

The property is legally described as 2.67 acres, more or less, out of Lot 223, Kelly-Pharr Subdivision, Pharr, Hidalgo County, Texas.

The subject property is located on the south side of East Moore Road, an 80 ft. major collector street that runs west and east with a posted speed limit of 30 miles per hour or less as identified in the City of Pharr's Thoroughfare Plan.

The property and the properties to the west, east and south were zoned Agricultural and/or Open Space District (A-O) upon annexation to the city on June 29, 1984. The property to the north was zoned Residential Mobile Home District (R-MH) upon annexation to the city on June 29, 1984. There have been no other zoning requests within the vicinity of the subject property since that time. The property is generally designated for single family use in the Land Use Plan.

The Heavy Commercial District (H-C) is established to provide adequate space and site diversification for commercial establishments which would involve influences that would be objectionable in the other commercial districts or adjacent to residential districts. Included in this district are commercial uses that involve large volumes of truck traffic, outside operations and storage of materials and equipment, either for sale or as part of the business, excessive noise from heavy service operations, or any other possibly blighting influences. This district is commercial in nature but has some aspects that are similar to industrial uses. The noise, traffic, litter, late-night hours, outside storage of materials and equipment, and other possibly blighting influences require adequate buffering.

Twelve (12) letters were mailed out to the surrounding property owners on December 21, 2023, and a legal notice was published in the Advance News Journal on December 20, 2023. Staff received no response to the letters or the legal notice.

Development Services is recommending **disapproval** of the request to re-zone from Agricultural and/or Open Space District (A-O) to Heavy Commercial District (H-C) as the property is not in conformance with the future land use plan and is not compatible with the adjacent zones or land uses in the surrounding area.

NOTE: This item will go before the City Commission Meeting of **January 15, 2024**, at **4:00 p.m.**

FROM: DEVELOPMENT SERVICES

SUBJECT: Re-zoning Request: From Agricultural and/or Open Space District (A-O) to Townhouse Residential District (R-TH) being 9.00 acres, more or less, out of Lot 360, Kelly-Pharr Subdivision, Pharr, Hidalgo County, Texas. The property's physical address is 1200 West Anaya Road. COZ#231204

Comprehensive zoning and rezoning regulations and ordinances should be adopted and designed to facilitate, as much as possible, the following items:

1. To lessen congestion;
2. Secure safety from fire, panic and other dangers;
3. To promote health and general welfare;
4. To provide adequate light and air;
5. To protect the overcrowding of land and abutting traffic ways;
6. Avoid undue concentration of population, and;
7. To facilitate the adequate provisions of transportation, water, sewage, schools, parks, and other public requirements as per Local Government Code, Sect. 211.004.

DESCRIPTION OF PROPERTY:

MMTP Family Irrevocable Trust, representing Cotton Kids Properties Limited Partnership, LLP., has filed with the Planning and Zoning Commission a request for a Change of Zone from Agricultural and/or Open Space District (A-O) to Townhouse Residential District (R-TH) in order to develop and construct townhomes on each of the lots.

The subject site is located on the north side of West Anaya Road, approximately 0.46 miles east of South Jackson Road and has a physical address of 1200 West Anaya Road.

The property is legally described as 9.00 acres, more or less, out of Lot 360, Kelly-Pharr Subdivision, Pharr, Hidalgo County, Texas.

The subject property is located on the north side of West Anaya Road, an 80 ft. major collector street that runs west and east with a posted speed limit of 30 miles per hour or less as identified in the City of Pharr's Thoroughfare Plan.

The property and the property to the west were zoned Agricultural and/or Open Space District (A-O) upon annexation to the city on June 3, 2003. The property to the south was rezoned Limited Industrial District (L-I) on November 4, 2003. The property to the east was rezoned Limited Industrial District (L-I) on October 16, 2017. The property to the north was zoned to Single-Family Residential District (R-1) upon annexation to the city on June 3, 2003. There have been no other zoning requests within the vicinity of the subject property since that time. The surrounding land uses include vacant land, warehouses, Valley View North Elementary School, and residential uses. The property is generally designated for industrial use in the Land Use Plan.

The Residential Townhouse District (R-TH) is established to provide adequate space and site diversification for medium-density residential development that is single-family, on separate lots, and typically owner occupied. Townhouse development is a low to medium-density use and before zoning to townhouse usage, the increased requirements for street, water and fire protection, wastewater, drainage, and adequate open space must be met. Townhouse developments must be properly buffered from nonresidential uses and protected from high volumes of non-single-family traffic, or from pollution and/or environmental hazards.

Eighteen (18) letters were mailed out to the surrounding property owners on December 21, 2023, and a legal notice was published in the Advance News Journal on December 20, 2023. Staff received no response to the letters or the legal notice.

Development Services is recommending **disapproval** of the request to re-zone from Agricultural and/or Open Space District (A-O) to Townhouse Residential District (R-TH) as the property is not in conformance with the future land use plan and is not compatible with the adjacent zones or land uses in the surrounding area.

NOTE: This item will go before the City Commission Meeting of **January 15, 2024**, at **4:00 p.m.**

PLANNING COMMISSION OPTIONS:

1. Approve the rezoning request;
2. Table the item for:
 - a) consideration by the full board;
 - b) additional information;
 - c) additional time for applicant and adjacent property owners to meet;
3. Disapprove the request.
